EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Applicant's attorney, Andrew Chu on September 1, 2005.

The application has been amended as follows:

In claim 1, line 17, replace "corresponding to" with --being positioned at--.

In claim 21, line 11, replace "corresponding to" with --being positioned at--.

2. The following is an examiner's statement of reasons for allowance: Two polymeric layers bonded together to define fluid-conveying passageways forming flow restricting means, inlet means in communication with flow restricting means, and outlet means in fluid communication with the flow restricting means, in combination with perforations that arranged such that the outlet means are positioned at the perforations is not known or rendered obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Seth Barney whose telephone number is (571)272-
